## BLEACH SUBSTITUTE CONCENTRATE

### STRONG OXIDIZING AGENT

#### DESCRIPTION :

An aqueous solution of sodium hypochlorite 12% and wetting agents. A strong oxidizing agent.

#### USES :

Bleach substitute concentrate is generally used for the removal of stains from inorganic zinc and or epoxy coated surfaces, it is also extremely effective for the bleaching out of stains caused by the carriage of dyed gasoline cargoes.

#### APPLICATION :

Dilution of one (1) part bleach substitute to four (4) parts water is the normal ratio for most stains, allow solution to contact stain for approximately twenty (20) to thirty (30) minutes, and then rinse thoroughly with water. For heavier or more stubborn stains decrease amount of water in the solution. Proceed to wall wash tank surface, testing for colour. Rewash if required, using same procedure previously described.

#### CAUTION :

The bleach substitute concentrate formula is considered to be non-hazardous, only slight irritation will occur when and if product comes in contact with eyes. Wash with fresh water for 10-15 minutes.

#### PRODUCT CHARACTERISTICS :

Clear liquid, slight odor  
Specific gravity : 1,20  
Ph of concentrate : 13,2  
Vapor density : 1,000  
Flash point : none

#### SAFETY AND HANDLING

<b>HANDLING</b>	Handle with care. Store in dry, cool and well ventilated environment.
<b>SAFETY</b>	<b>IMMEDIATE ACTIONS</b>
<b>Eye Contact</b>	Avoid Eye Contact. Otherwise, flush with plenty of water for a few minutes. Seek medical attention.
<b>Skin Contact</b>	Avoid Skin contact. Otherwise, wash contaminated area thoroughly with water. Seek medical attention.
<b>Inhalation</b>	Do not breathe gas/vapors. Otherwise, seek fresh air source at once. Seek medical attention. In case of insufficient ventilation, wear suitable respiratory equipment..
<b>If Swallowed</b>	Avoid ingestion. Otherwise, consume considerable quantity of water. Do not induce vomiting. Seek medical attention.
<b>General instructions</b>	Avoid spillage, splashing and mishandling. Precautionary measures for body protection are strongly recommended before use.
